Traffic Management, Enforcement and Road Safety

It is the policy of the Owen Sound Police Services Board with respect to traffic management, traffic law enforcement and road safety that:

- a) Technical collision investigation, reconstruction and breath analysis investigative supports will be provided by the members of Owen Sound Police Service. The Ontario Provincial Police (OPP), through the Framework of Services Agreement, will provide technical collision investigation and reconstruction when required.
- b) The Chief of Police will:
  - I. Develop and implement a traffic management, traffic law enforcement and road safety plan;
  - II. Establish procedures on traffic management, traffic law enforcement and road safety, including procedures to address road closures and minimizing the interference of traffic; and
  - III. Ensure that persons who provide technical collision investigation, reconstruction and breath analysis investigative supports have the knowledge, skills, and abilities to provide that support.
