**ER-001OSPSB** Preliminary Perimeter  
Control and Containment

It is the policy of the Owen Sound Police Services Board with respect to preliminary perimeter control and containment that:

- a) The initial preliminary perimeter control will be provided by the officers of the Owen Sound Police Service;
- b) The services of an Emergency Response Team to fulfill the containment function will be provided under the terms of the Framework Agreement with Ontario Provincial Police (OPP) and Owen Sound Police Services Board; and
- c) The Chief of Police will establish procedures that address:
  - I. The circumstances in which preliminary perimeter control and containment will be established;
  - II. Operational responsibility for an incident where preliminary perimeter control and containment is being established;
  - III. The deployment of other emergency response services, including receiving assistance from other agencies;

- IV. The duties of an officer involved in the establishment of preliminary perimeter control and containment, including compliance with the requirement of section 22(3) of the *Adequacy Standards Regulation*, pending the deployment of a tactical unit; and
- V. The training of officers in preliminary perimeter control and containment.
