The 14th Annual CUFFLINKS Golf Tournament

Featuring,
Our esteemed Beneficiaries

KIDS

KIDS (Knowledge, Issues, Decisions, Supports) is an educational program delivered to Grade 6 students. The KIDS Program teaches the dangers surrounding drugs, alcohol, tobacco and helps students understand issues surrounding Mental Health and Social Media Awareness. The Owen Sound Police have been providing an educational program, such as this, for 14 years and believe that with the proper education our students will make healthy and wise decisions when faced with difficult choices.

LAW ENFORCEMENT TORCH RUN

The Ontario Law Enforcement Torch Run provides the opportunity for over 17,000 Ontario Special Olympic athletes to participate in sport and recreation activities and has helped persons with an intellectual disability become all they can be physically, socially and emotionally. The Torch Run and the Special Olympics are conducted almost entirely by volunteers in our communities and with your help and support we will keep the “Flame of Hope” burning for many years to come.
